*Like as the waves make towards the pebbled shore,  
So do our minutes hasten to their end;  
Each changing place with that which goes before  
In sequent toil all forwards do contend.  
Nativity, once in the main of light,  
Crawls to maturity, wherewith being crown'd,  
Crooked eclipses 'gainst his glory fight,  
And Time that gave doth now his gift confound.  
Time doth transfix the flourish set on youth,  
And delves the parallels in beauty's brow,  
Feeds on the rarities of nature's truth,  
And nothing stands but for his scythe to mow.  
And yet to times in hope my verse shall stand,  
Praising thy worth, despite his cruel hand.*

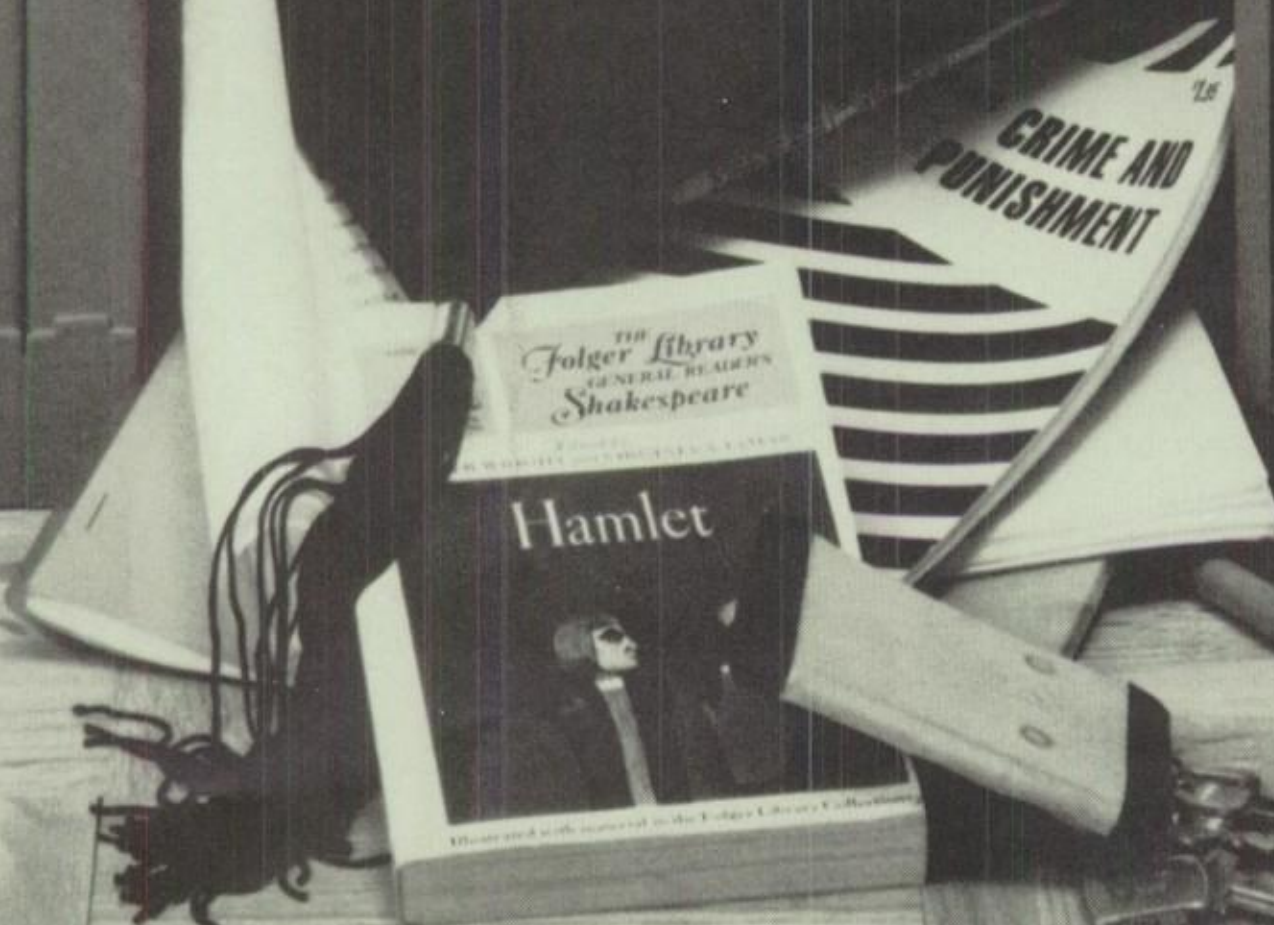

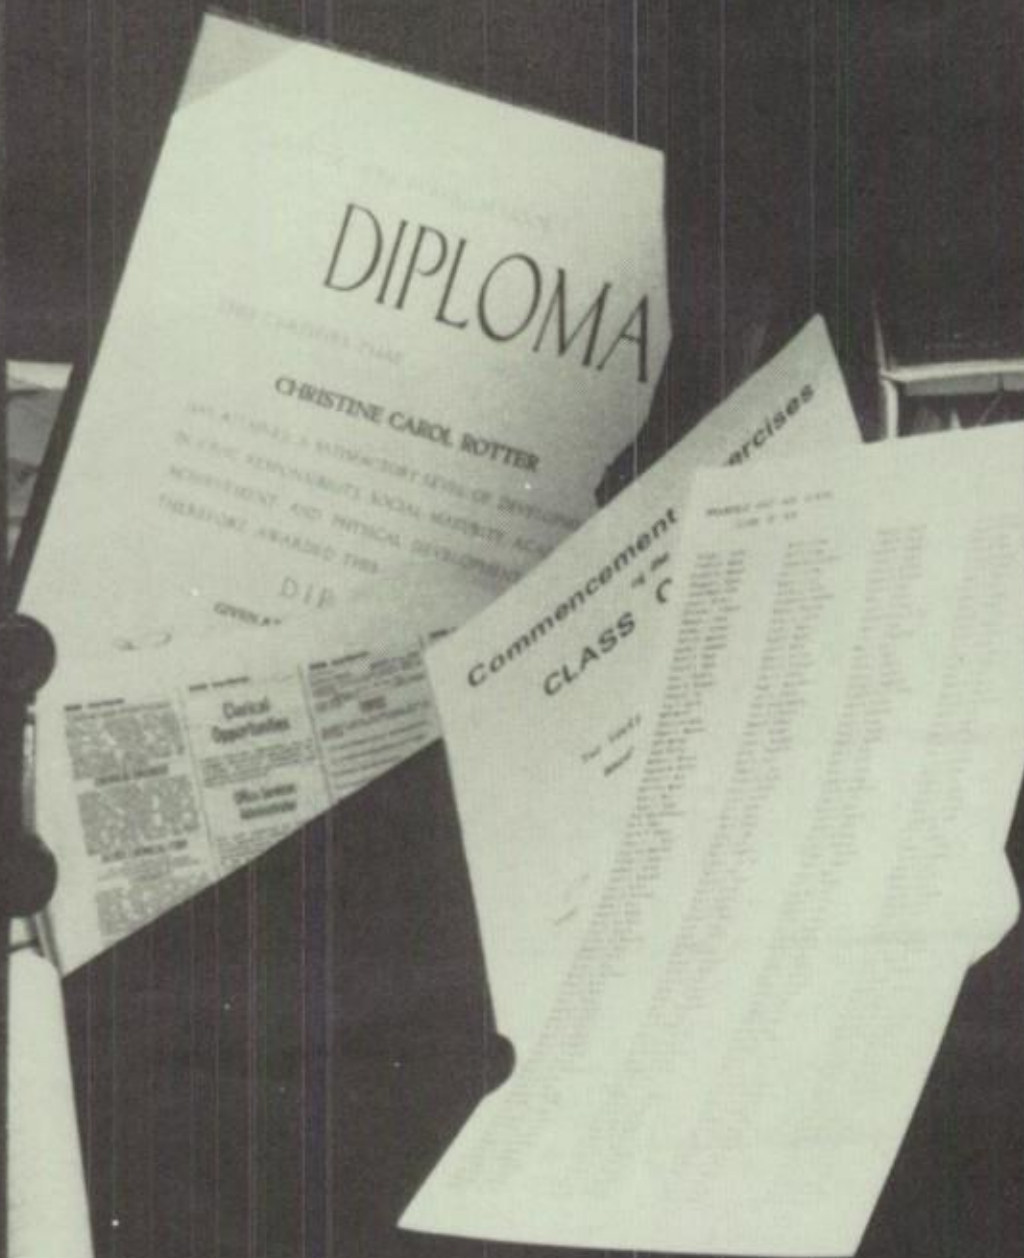

*Shakespeare*

## THESE WERE THE BEST OF TIMES. REMEMBER?

*Near a great forest there lived a poor woodcutter and his wife, and his two children; the boy's name was Hansel and the girl's Grethel. They had very little to bite or to sup, and once, when there was great dearth in the land, the man could not even gain the daily bread. As he lay in bed one night thinking of this, and turning and tossing, he sighed heavily, and said to his wife: "What will become of us? We cannot even feed our children; there is nothing left for ourselves." ...*

*Many a long year afterwards there came a king's son into that country, and heard an old man tell how there should be a castle standing behind the hedge of thorns, and that a beautiful enchanted princess named Rosamond had slept for a hundred years, and with her the king and queen, and the whole court. The old man had been told by his grandfather that many king's sons had sought to pass the thorn-hedge, but had been caught and pierced by the thorns, and had died a miserable death. Then said the young man, "Nevertheless I do not fear to try; I shall win through and see the lovely Rosamond." The good old man tried to dissuade him, but he would not listen to his words.*

*In the old times, when it was still of some use to wish for the thing one wanted, there lived a King whose daughters were all handsome, but the youngest was so beautiful that the sun himself, who has seen so much, wondered each time he shone over her beauty. Near the royal castle there was a great dark wood, and in the wood, under an old linden tree, was a well; and when the day was hot, the King's daughter used to go forth into the wood and sit by the brink of the cool well, and if the time seemed long, she would take out a golden ball, and throw it up and catch it again, and this was her favorite pastime.*

*Now it happened one day that the golden ball, instead of falling back into the maiden's little hand which had sent it aloft, dropped to the ground near the edge of the well and rolled in. The king's daughter followed it with her eyes as it sank, but the well was deep, so deep that the bottom could not be seen. Then she began to weep, and she wept and wept as if she could never be comforted. And in the midst of her weeping she heard a voice saying to her,*

*"What ails thee, king's daughter? Thy tears would melt a heart of stone."*

*And then she looked to see where the voice came from, there was nothing but a frog stretching his thick ugly head out of the water.*

Rain and snow came early during the 1982 season dampening the fields but not the spirit of the Highlanders. Going into the season we looked great! Practice scrimmages resulted in wins over Douglas, Lassen and Carson High Schools. Our opening practice game victory against Sparks High School 9-6 showed what we could do against AAA competition. Fernley was the first to untrack us in league play, with a heart breaking 6-0 loss in triple overtime in mud and snow to Elko on a fumble return costing us a victory and additional injuries. Injuries then plagued us for the remainder of the season. Bryan Ossolinski was selected MVP with Kerry Grumber, MV Defensive Back. Marc Astor, Chris Wilkin, Clark Reddin and Most Improved, Mike McNulty leading the Highlanders during 1982.

*"Success is a peace of mind which is a direct result of self-satisfaction in knowing you did your best to become the best that you are capable of becoming." Coach John Wooden's words describe the attitude of this year's talented and successful J.V. team. Coached by Mr. Larry Rumball, the team piled up victory after victory losing only twice during the entire season.*

*Back row: Coach Beatty, Greg Olah, Kevin Burns, Chris Johnston, Paul Reddin, Ty Nielson, Curtis Coates, Jon Wood, Jack Hardy, Matt Moffitt, Craig Stevens, Larry Rumball (Coach) Middle row: Mark Goodman, Paul Iezzi, Danny Cordero, Erik Zimmer, T.J. Duggan, Eldor Mundschenk, Ron Horn, Stephan Dolic, Brian Mason, Darius Gilan-farr, Front row: Sig Lokensgard, Hans Zimmer, Kenny Brogden, David Braaksman, Matt Isensee, Barry McMillan, Ralph Rasmussen, Garrett Cunningham, Perry Whittington*

# 1983

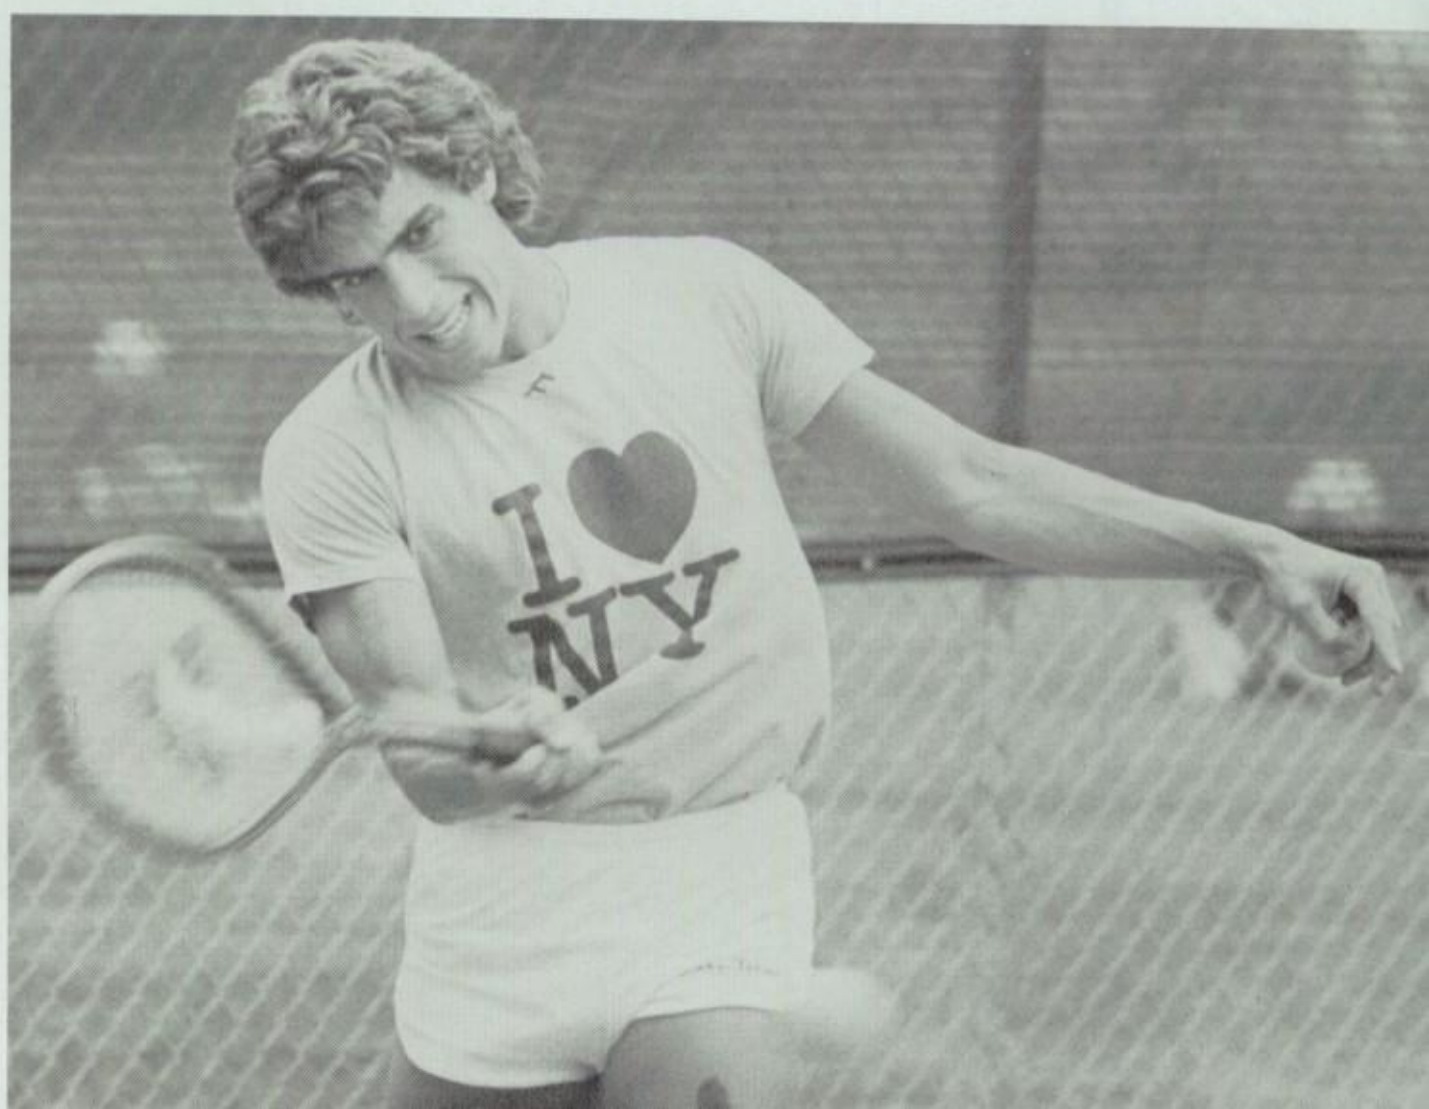

*The cross country squad was smaller in size than in previous years. Coached by Mr. Greg Firn the team made up in enthusiasm what it lacked in numbers. Led by Matt Brannan and Rose Conley the team enjoyed a successful season. Pictured above from left are Rose Conley, Gregor Finke, Matt Brannan, Von Birkner, Kenny Fitzgerald and Matt Hansen. At left, weighed down by his hard earned medals is Matt Brannan. Missing from the picture is one of the stars of this year's team, in Reno and placed eighth.*

# **BOYS TENNIS**

## HUGO! HUGO!

Every high school tennis player in Nevada knows the name of Hugo Rodriguez, our AFS student from Mexico. Hugo is the Northern Nevada champion having played in the combined AA and AAA zone undefeated throughout the season. In the state finals in Las Vegas Hugo wins third place in the State and earns the respect of players and coaches alike. The boys team, composed primarily of freshmen places third in the zone which is made up of 10 triple A schools and two double AA. Incline's finest defeats Douglas, Manogue, South Lake Tahoe, Sparks and Wooster while losing twice to Carson High School.

Hugo, Scott Radow, Marc Radow and Mike Kocmond are the top four singles players while Jeff Grizzard and Eric Gillespie and John Albrecht and Aaron Watty form the two doubles combinations.

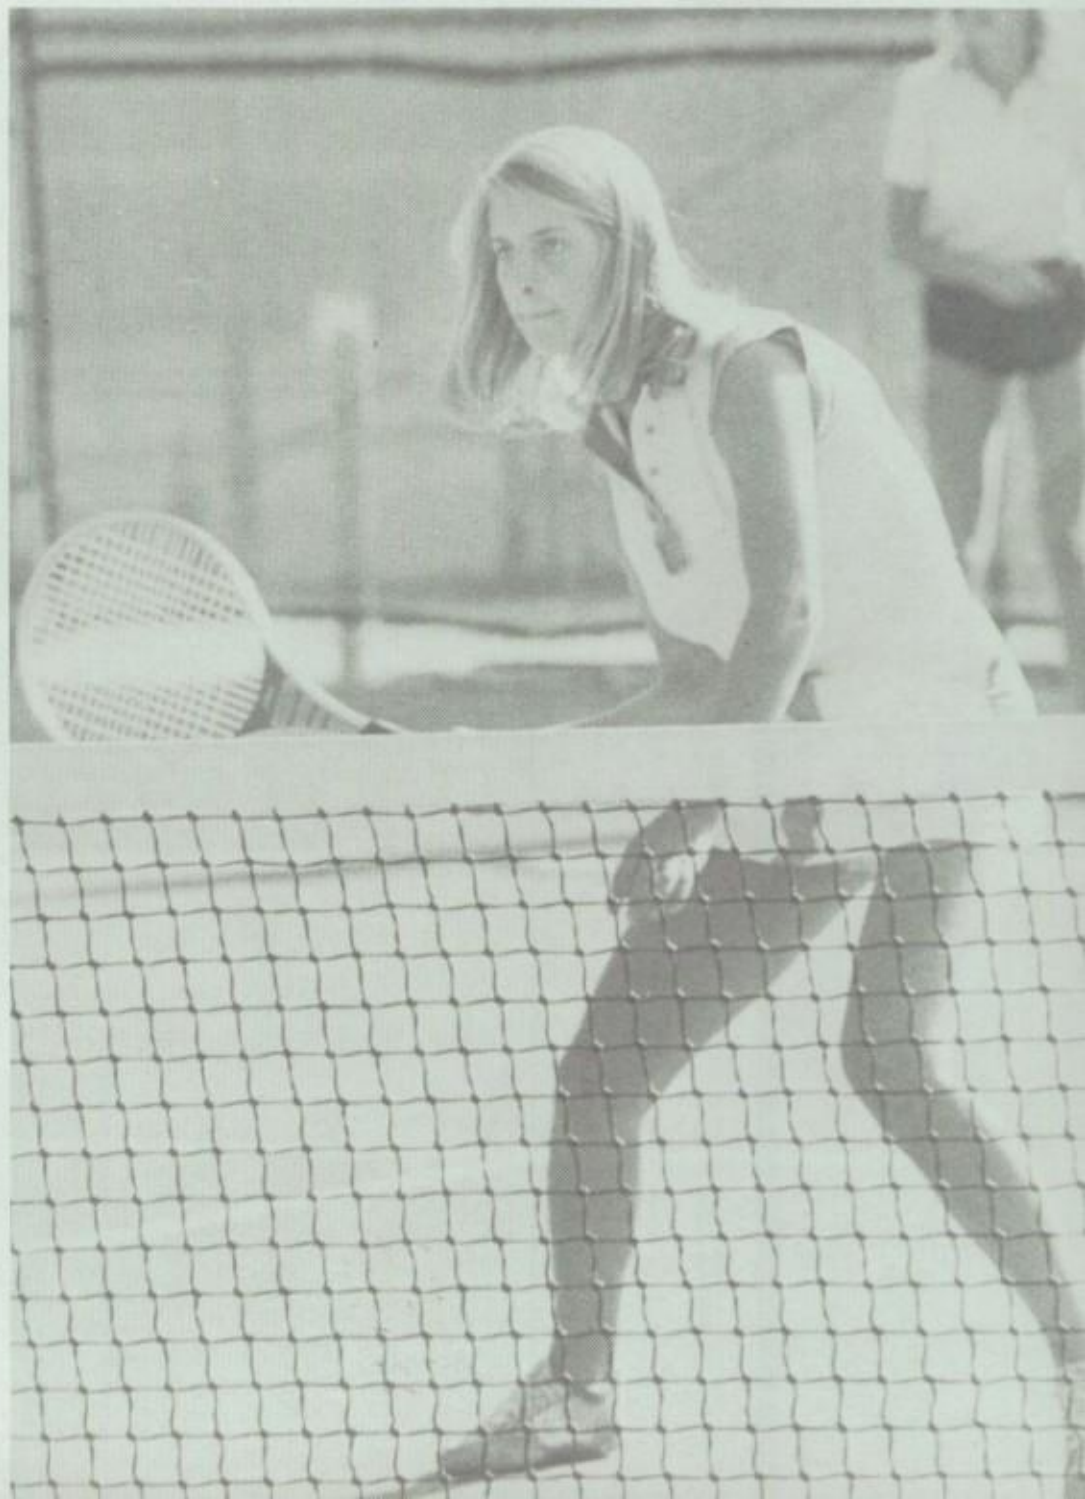

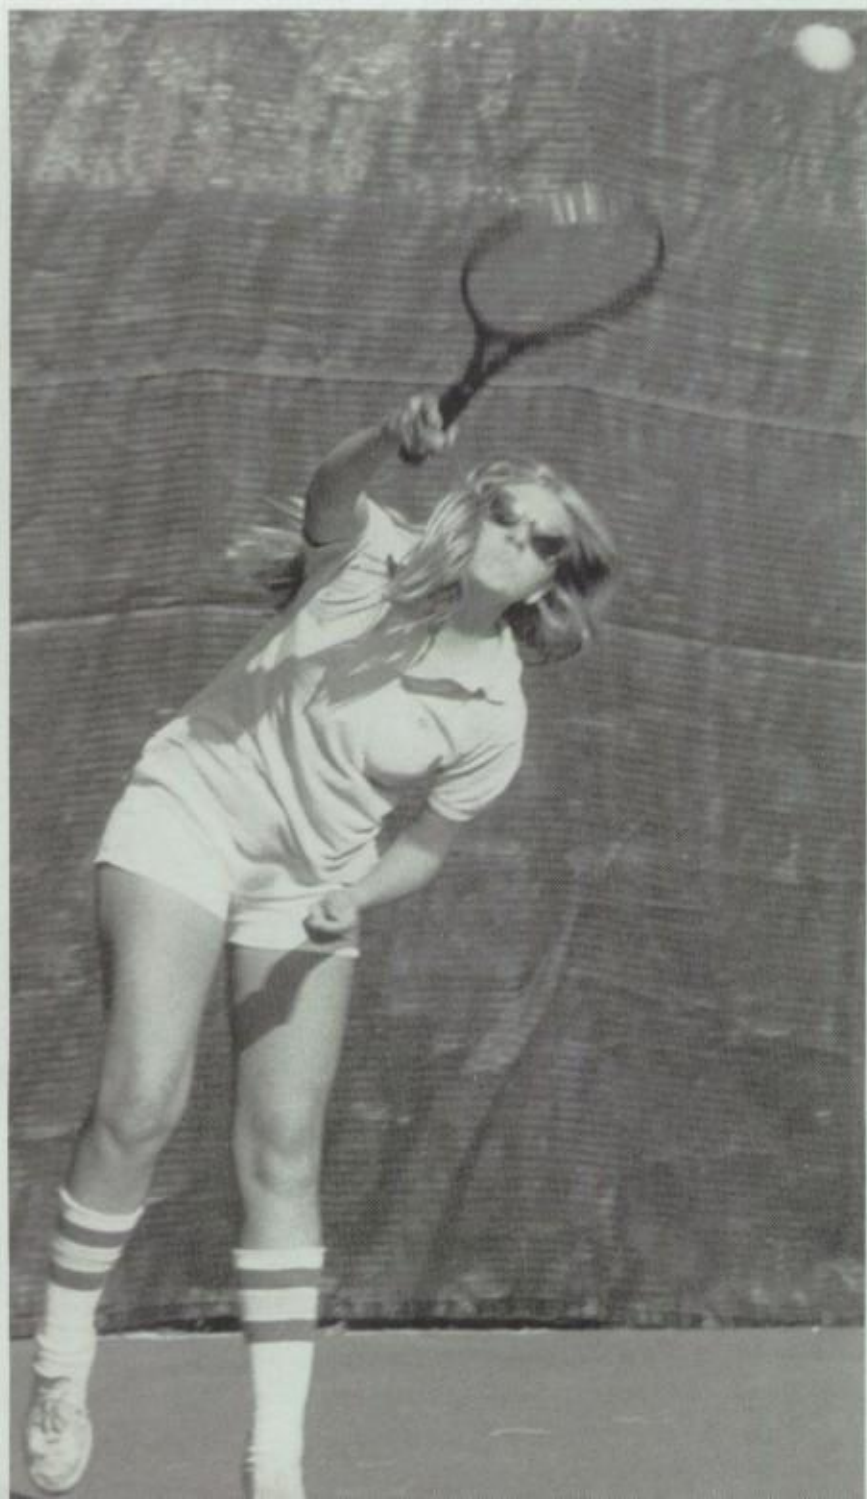

The team photo below shows Jeff Grizzard, John Albrecht, Aaron Watty, Marc Radow, Scott Radow, Coach Stephens, Mark Davidson, Andy Finke, Hugo Rodriguez, Mike Kocmond and Eric Gillespie.

# TENNIS 1982

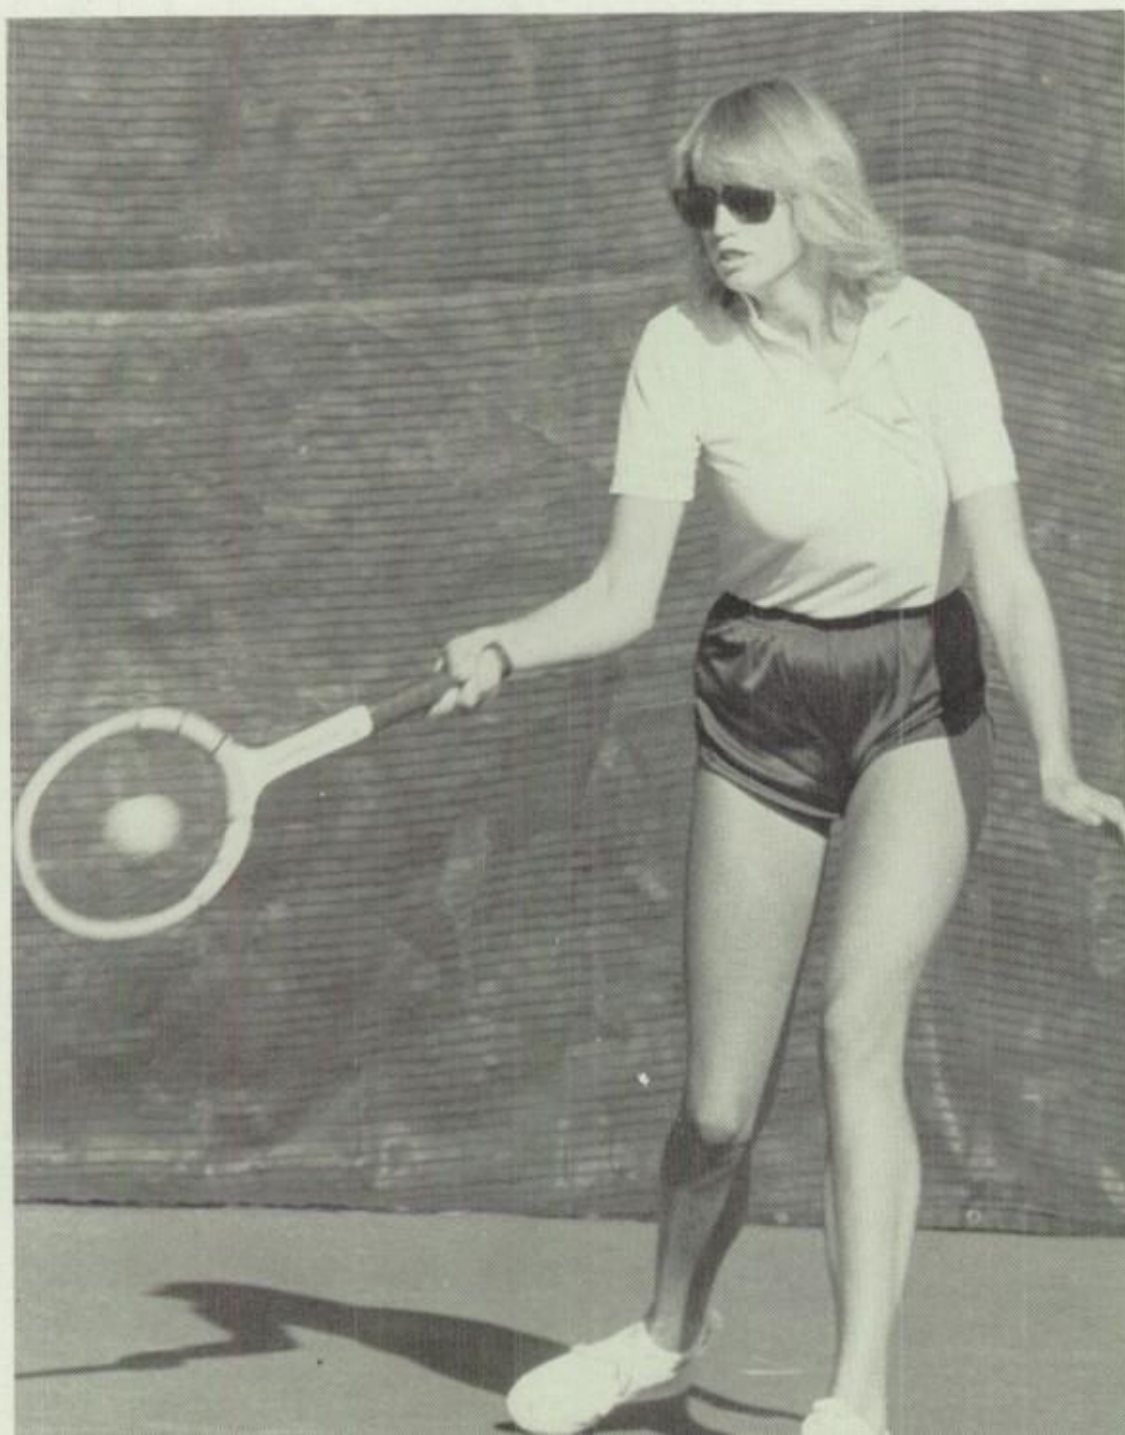

*The Girl's Tennis Team enjoyed a good season. Gretchen Lancaster was selected the Most Valuable Player. Sara Lokensgard was the number two player while the third spot was captured by Debbie Schuler. In number four position was Amy Darby, a first year player who won the Most Improved Player Award. Morgan Farmer and Allison Buckman combined to become the number one doubles team. Ann Anoo-shian, Lisa Kayler and Karen Tarantino were alternates*

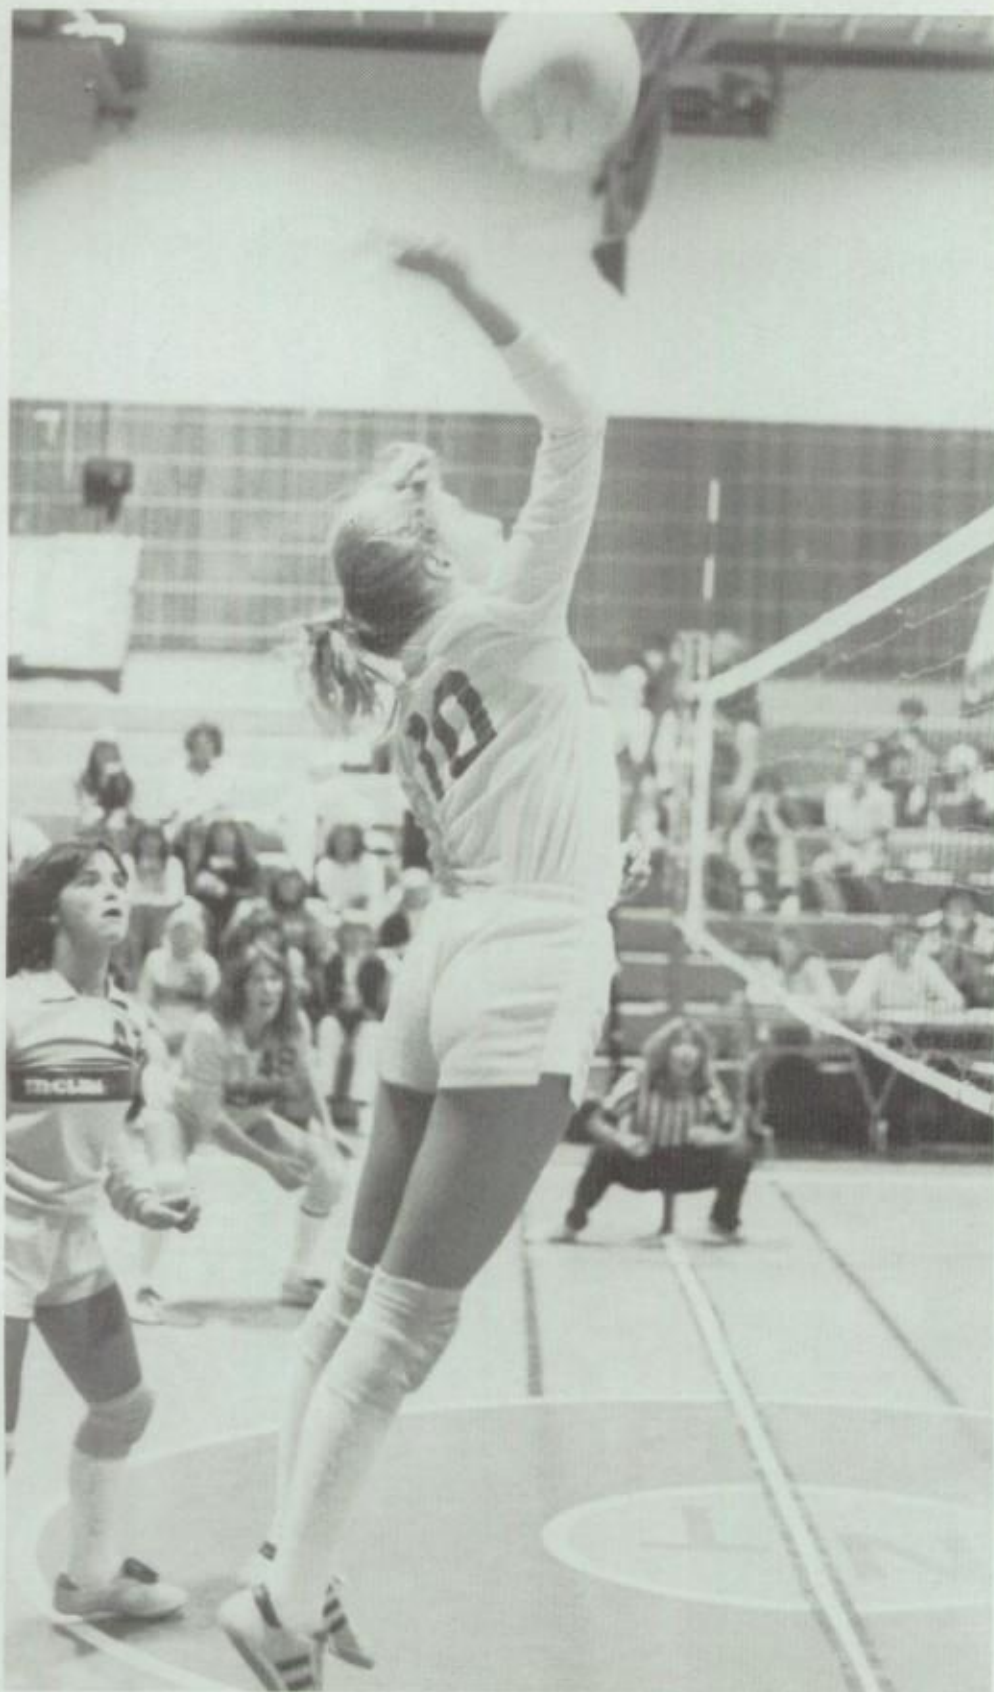

*Pictured above are Hillary Clyde, Marne Pratt, Morgan Farmer, Lisa Farmer and Amy Darby. In the front row we have Gretchen Lancaster, Sarah Lokensgard, Ann Annoshian and Karen Tarantino. Below left, Amy Darby tries a tentative forehand shot while below right, Marne Pratt returns a volley.*

*The 1982 Volleyball team was a team in transition. Changes in strategy, methods and talent were necessitated due to the graduation of 8 of the 11 starters from last year's State Championship Winners. During this transitional period we met the challenge and played to the best of our ability, narrowly missing the playoffs at the end of the season. Above left, Kristi Pofahl passes to a teammate while at right Heather Laurie follows through on a slam. Below, senior players present carnations to their parents during their last home game.*

*Top left is Tami Pryor passing off while at right Kathy Brumfield sets the ball. At left, Linda Czyz congratulates Heather Laurie on making an important point, while Stacey Middel, above, poses for the photographer after scoring on a serve.*

# J.V. VOLLEYBALL

*The J.V. Volleyball team faced problems similar to the Varsity squad. With only one returning player, a new team had to be started and trained. After much hard work, the team, coached by Miss Debbie Noyes, rose to the challenge and became a contender towards the end of the season. Finishing with a record of six wins and seven losses the squad looks forward to a winning season next year.*

*In the team photo at right are pictured Jim Clopton, Manager, Diane Kessler, Laura Guenther, Annie Krout, Coach Noyes. In the Middle row are Monica Jezycki, Tracy Dunklee and Sandy Davis. Next are Samantha Nisson and Suzanne Musa with Rocky Kraft sitting up front with the ball. # H O O P S

*Pictured above, Glenn Roman, Mike Brown, Brian Staaleson, Bryan Ossolinski, Jeff Pearson, Jerry Smith, Chris Wade, Harry Highwood, Jeff Quilici, Mike McNulty, Coach Dillard*

*The Boy's Varsity Basketball gave Coach Chalmer Dillard a few more gray hairs. Giving a great winning streak a scare at Mid-Season raised the question "Will they go to State?" The team pulled through as the season ended to win their last two games and make it to State playing Lowry in the first round.*

*The team stars were Mike McNulty and Jerry Smith, both breaking school records this season. Mike made the season's assists record with 149 assists in one season. He made the last 8 in their final game against Fernley. Jerry's points per game record was made early in the season at the North Tahoe Tournament. The record he holds is 42 points in one game. Senior players included Mike Brown, with his out-side shots; Chris Wade playing outstanding defense; Jeff Pearson with amazing "jumpers" and his awesome dunk that got away; Glenn Roman who has saved a game or two with his in-the-hole free throws, and Mike McNulty and Jerry Smith.*

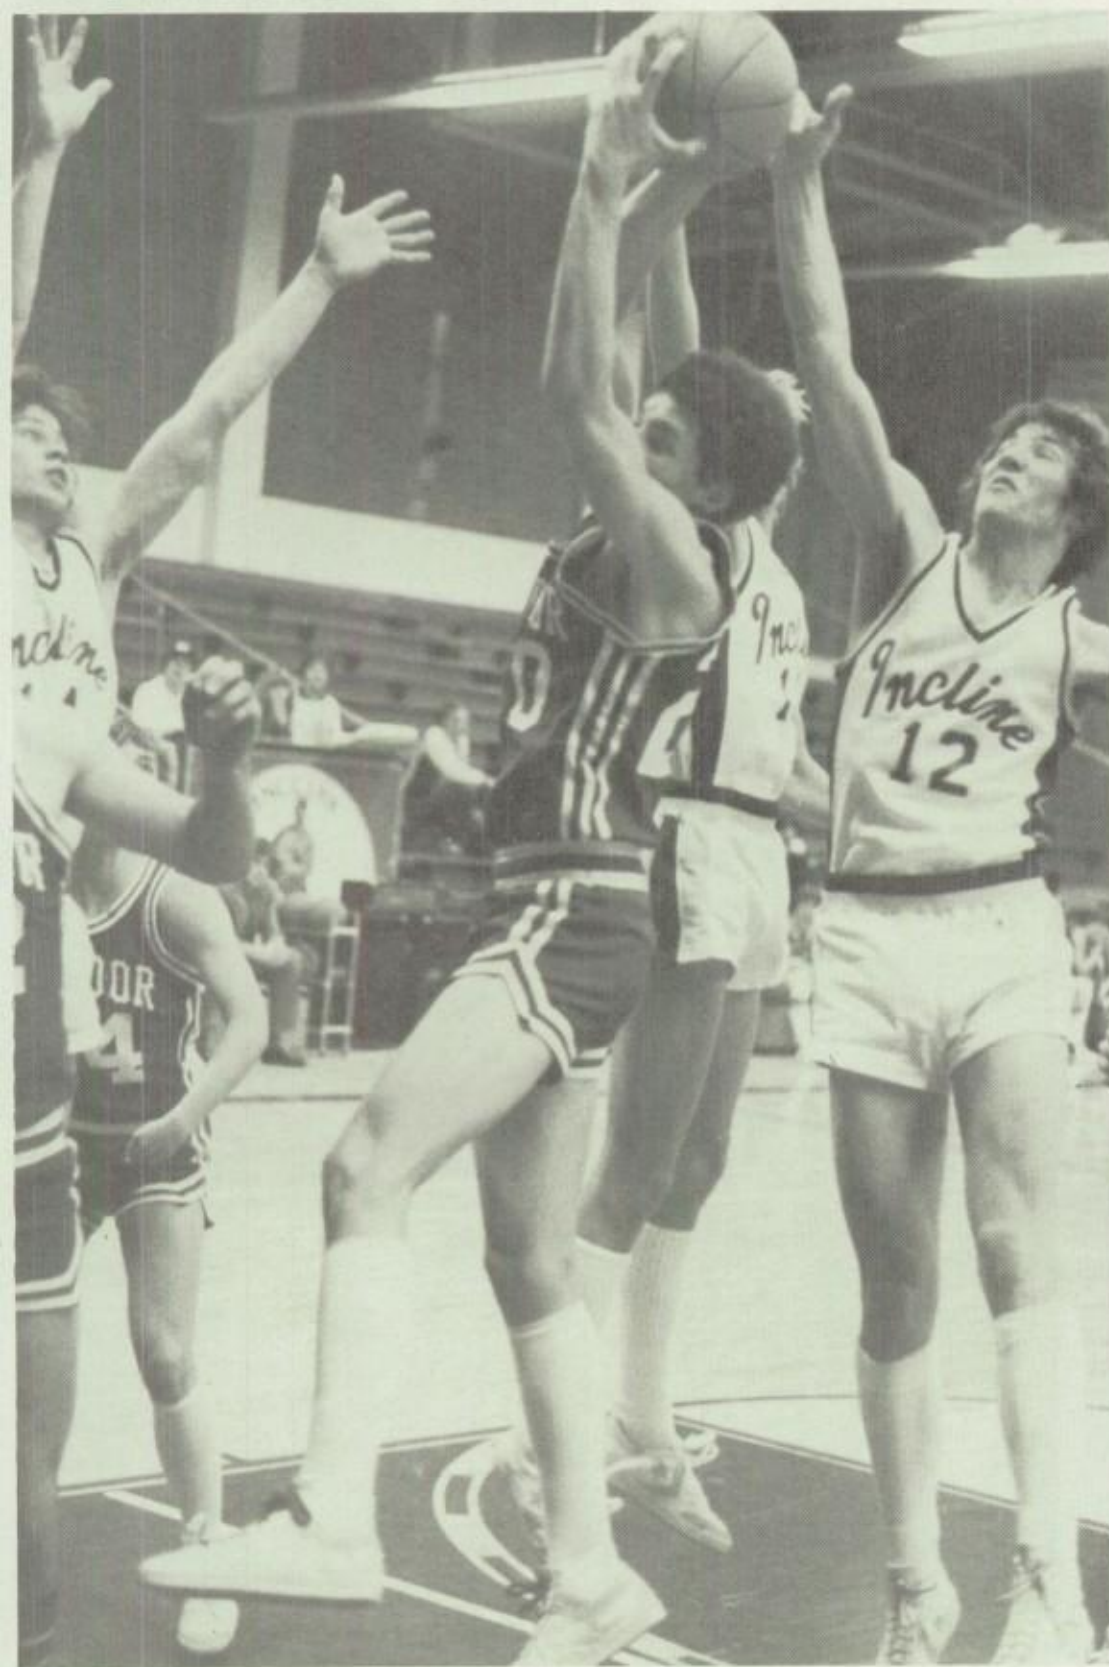

*Bryan Ossolinski and Brian Staaleson, both Sophomores, won starting positions on the Varsity. Both continued to improve throughout the season with aggressive rebounding and fine outside shooting. Juniors Jeff Quilici and Harry Highwood also continued steady improvement during a difficult season. Ending with a record of 12 - 11, the Highlanders fought their way into the State Championships only to lose in the first round to Lowry. The highlight of the entire season was beating Truckee High School, the team that went on to win the State Championship in Las Vegas. Pictured above are Bryan Ossolinski and Harry Highwood with Mike Brown in the background. At right, Coach Chalmer Dillard continues to point the way.*

# SWIMMING

*Like with most other Spring sports both practices and home meets mean going over the hill to Reno, Carson or Truckee. Despite transportation difficulties and many hours spent on the road the 1983 IHS swim team is skilled and successful. Even the fact that their competition is primarily with AAA schools at least triple in size compared to ours the team remains confident and expresses Incline Pride!*

*In the team picture at right, in the back row are Steve Larock, Richard Mayda, Eric Ronning. Up front are Lisa Wight, Alanna Wesoly, Shannon Horn, Mari Manchester, Krista Horn and Coach Stephens. At bottom left, Shannon Horn and Krista Horn prepare for a quick start while at right Lisa Wight waits for the starter's signal.*

## 1983 SKIING

*Suzy Danielson, at left placed eleventh in the Giant Slalom Championships. Sonja Danielson had an eighth and a seventh.*

*Below, the Incline Ski Teams are all smiles after a successful year. The Junior Varsity team had a strong season. Miles Bishop was a constant winner. She placed with an overall first place in the Championships. Mike Kockmand, an excellent J.V. racer, has great potential for Varsity skiing next year. Girl's J.V. members were: Miles Bishop, Annie Krout, Michelle Falsetta, Shelly Mason, Stacy Edwards, Tami Thomas and Donna Mayote. Boy's Team was Mike Kochmond, Sig Lokensgard, Arron Watty, Chris Talbot, Matt Moffitt, Sean Titus, Ron Horn, Jim Ross, Mark Davidson, Tim Delany, Bill Herman, Lee Carre, Von Birkner, John Petruzelli, Kye Hageman, and Rodd Royan.*

## BASKETBALL

*A new coach and almost an entirely new team took to the boards for the 1982-83 season. Gone were starters Denise Jezycki, Kris Leavitt, Carla Mazza and Lynn Vikan and Coach Chalmer Dillard. A former college player from the University of Maine, Michelle Rollin, took over the job of rebuilding the Highlander squad. The task was made easier by the return of Nikki Mohr, MVP, All State selection for several years. She continued her sensational high school career leading the team in points scored and rebounds. Kathy Brumfield, and Sarah Lagano, a senior and a junior were the other varsity returnees. Pictured at left are Stacy Kidman, Michelle Jezycki, Kathy Brumfield, Laura Lohse, Laura Guenther, Sarah Lagano, Nikki Mohr, Regina Ossolinski and Christa Mazza, with Coach Rollins holding the ball.*

As you can see from these pictures the brand new Junior Reserve Officers' Training Corps, (JROTC) is doing more than just marching and more than just hanging around too!*

*Forty of the 180 hours of training during the year are spent on drill and ceremonies and provide us with an attractive Color Guard. The rest of the training involves leadership development, military history and ceremony, oral and written communications, first aid, CPR, health and safety, physical conditioning, wilderness survival, marksmanship training, leadership theory, citizenship and character development and PRIDE!*

## COMPUTER CLUB

The Computer Club is sponsored by Mr. John Andrews. It has twelve members who spend much of their spare time using the Commodore equipment which has been purchased over the past few years with a great deal of help from the Incline Village Optimists Club. The members have a special opportunity to increase their knowledge of programming. Their officers include Kevin Odell, President, Vice President Matt Moffitt, Stacy Melton, Secretary and Lee Carre, Treasurer.

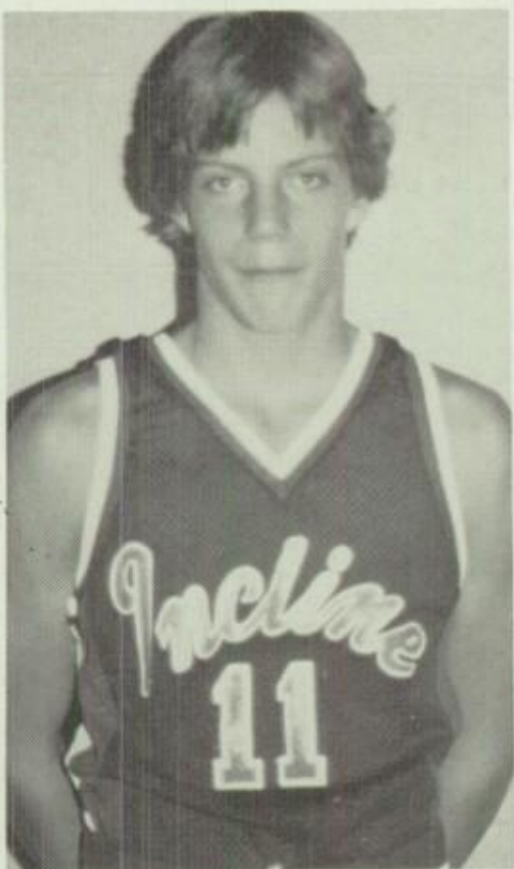

## ***SPELL - OFF***

Musicals are always fun to produce and exciting to watch. *Brigadoon*, the story of love conquering all, set in the Scottish Highlands, was directed by Mrs. McNulty. Choreography was developed by the talented Aubry Clopton. Musical accompaniment was provided by Richard Mayda on the piano and by Mr. Tim Foster on the bagpipes. Mr. Foster also aided the singers with Jeanne Hanson, Michelle Dunn, Vicki Nambu and Reese Feney.

*Pictured above left is Kim Crandall, the jilted girlfriend on one of the American hunters. Above right, Wayne Drake places a wreath on the head of Eric Tucker, a jilted boyfriend. Below, Curtis Culver and Sonja Danielson profess their love for one another while at right, a real New Yorker, John Schlegelmilch dreams of going home after trying to fend off the advances of Bridget Widick. The successful production also starred Scott Smith, Chris Wilken, Rose Conley, Lynne Gang, Suzy Danielson, Christy Summers, Steve Larock, Jenni Plevel and Mr. Tom Percy.*

# ON STAGE

*Mrs. Robbs sophomore English classes wrote sketches based on Antigone, King Lear, and Julius Ceasar, and presented their adaptations to the student body during a special assembly in the theater. The class project proved very successful and was a special opportunity for students, who had never acted before, to display their talents on stage.*
